

# PARENT - STUDENT HANDBOOK

Welcome to Rose Drive Elementary School for the 2010-2011 school year, where we are WILD ABOUT LEARNING!

In our effort to go "green" this year, we have put our Parent/Student Handbook on line for you to access and review. Please go to our website [www.rosedrive.pylusd.org/](http://www.rosedrive.pylusd.org/) . The Parent-Student Handbook is on the left. Please read the handbook and discuss it with your child. We have copies available in the office if you do not have access to a computer.

Our handbook is designed to answer the many questions we receive in the office regarding school rules and procedures. We hope after review the booklet you will find it helpful.

Please return the bottom portion of this letter to your child's teacher by Friday, September 17<sup>th</sup>.
